PARLIAMENT QUESTION

Sub: PARLIAMENT QUESTION - Lok Sabha Provisionally admitted question Dy.No.1584 for 9.12.2022 regarding support for Diabetes Patients.

Question Dy.No.1584

- Whether it is a fact that India is often referred to as the 'Diabetes Capital of the World' as it accounts for 17 percent of the total number of diabetes patients in the world;
- If so, the details thereof;
- Whether the Government proposes to provide any support and subsidy towards diabetic care to reduce the financial burden on the patients and if so, the details thereof; and
- Whether the Government plans has any proposal towards funding any research projects to find a permanent cure for diabetes and if so, the details thereof?

Ans: It is hereby informed that the above questions are referring to the Government proposals and plans regarding support for Diabetes Patients, and hence are not pertinent to Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum (SCTIMST), as SCTIMST is focused on management of patients of cardiological and neurological disease and does not have a department specially to treat diabetes patients.
