INTRODUCTION

Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST) is an Institution of National Importance with the status of a University under the Department of Science and Technology, Govt. of India by an Act of Parliament (Act 52 of 1980). The joint culture of medicine and technology that the Institute pioneered more than four decades ago has come of age and gained unprecedented acceptance in India. The Institute focuses on advanced super specialty postgraduate training programs in medical specialties and health research of social relevance and development of high quality, medical devices and technology of industrial significance. The emphasis is on development of activities less readily available in the country such as interventional radiology, interventional stroke care, cardiac electrophysiology, advanced cardiothoracic and vascular surgery, surgery for epilepsy, micro neurosurgery, deep brain stimulation for movement disorders, development of new biomedical devices and products, evaluation of medical devices to global specifications, new academic programs and health science research and training.

The Institute has three wings - the Hospital Wing, the Biomedical Technology Wing and the Achutha Menon Centre for Health Science Studies Wing. Excellent research and learning opportunities are available at these wings. The Institute has a dedicated team of clinicians, scientists and engineers devoted to high-quality medical research, biomedical research and technological development and public health research.

The Institute's objectives are:

- Promote biomedical engineering and technology.
- Provide and demonstrate high standards of patient care in advanced medical specialties.
- Develop innovative postgraduate training programs of the highest quality in advanced medical specialties and biomedical engineering and technology.
- Participate in public health reforms through research, training and interventions.

The Sree Chitra Tirunal Institute for Medical Sciences & Technology Act, 1980, empowers the Institute to offer post-graduate programs in medical sciences and biomedical engineering and stipulates that the medical degrees and diplomas granted by the Institute shall be recognized medical qualifications for the purpose of the Indian Medical Council Act and that they shall be deemed to be included in the First Schedule to that Act.

1. POST-GRADUATE PROGRAM

MD Transfusion Medicine

Minimum Educational Qualifications Required for Admission

MBBS degree or an equivalent degree from a recognized university (Medical Council of India/National Medical Commission) with one-year compulsory rotatory internship from a medical college of repute.

The candidates must have completed the requisite qualification, degree and tenure by 31.01.2022. The candidates who are likely to complete their requisite qualification, degree and tenure after the above date will not be eligible to appear in this examination. Furnishing wrong information by the candidate will be subjected to disciplinary actions or denial of admission.

The candidate should have applied for and obtained registration with Travancore-Cochin Medical Council (TCMC) at the time of admission at SCTIMST.

Upper Age Limit

Forty years (as on 1st January 2022), relaxable by five years for SC/ST candidates, sponsored candidates and for qualified Ex-service personnel with a service of not less than five years.

Admission Process

The selection of the candidates for the course is by the counseling based on the rank list in the INI-CET conducted by the AIIMS, New Delhi and verification of certificates and other credentials/documents by SCTIMST. For further details on the entrance exam, admission and selection process, **please visit the following website: <https://www.aiimsexams.org>.**

SPECIAL INFORMATION

Hostel accommodation

Candidates selected (except sponsored) will be provided accommodation as per rules and availability. **It is mandatory for Junior/Senior Residents to occupy PG Quarters/Hostel, as the case may be, once it is allotted to them.** *No HRA will be paid to any occupants once an eligible accommodation has been allotted to them, irrespective of whether they occupy the allotted accommodation or not.* Electricity and Water charges may be levied proportionally from the inmates if they are in single/double/sharing/Family accommodation.

Course Content

The training is strictly full-time and continuous. The candidates at the time of admission will be provided with a handbook covering the syllabus, training program and the examination scheme. They should acquaint themselves with the syllabus prescribed for the course to which they are admitted. They should strictly adhere to the rules and regulations of the Institute.

Contract Service

All students and Senior Residents selected for various programs are required to execute a bond of service for a duration depending upon the length of the program. Admission will be denied to candidates who fail to join or submit the contract bond by the date stipulated in the letter of selection. Private practice in any form during the pendency of the program is strictly prohibited.

BOND TO BE EXECUTED

- All the selected residents under the general category need to furnish a bond for rupees fifty lakhs. Concerned defaulter shall be liable to pay an amount of ₹ 50,00,000/- (Rupees Fifty Lakhs), if decided to discontinue the course after the last date of closure of admission by INI-CET. The last date of closure of admission will be announced in the institute website (www.sctimst.ac.in) as well as it will be intimated to the candidates at the time of admission.

Duties and Responsibilities

Duties and responsibilities of students and Senior Residents shall be fixed by the Institute from time to time and will include such clinical work as may be essential for patient care and professional training.

Medical Fitness

The selection will be provisional until the candidate is declared medically fit by a Medical Board appointed by the Institute. The candidate should declare all illness connected with his/her health and should certify that he/ she is fit to undergo the rigorous program that he/she is joining. The opinion of the Medical Board shall be final.

Commencement of Academic Session

The session commences on **1st January, 2022**. Selected candidates will report on this date with all necessary original documents, the verification of which is mandatory for confirmation of admission.

Residents and students will be assessed at the end of six months after admission for their academic ability, desire for training, acquisition of competence, commitment to patient care, interpersonal relationship and so on.

Those with low scores will be given a chance to improve in the next three months and, if found unsatisfactory, the candidate's registration in SCTIMST will be terminated.

Attendance on the last working day of the course, normally **31st December** will be compulsory, except in extraordinary situations.

Please refer the syllabus and curriculum for details regarding other mandatory requirements.

SPONSORED CANDIDATES

Candidates will be considered as "sponsored" only when they are financially supported by the Government, Governmental agencies or Universities.

Based on the rank in the INI-CET a separate rank list of candidates applied under sponsored category for SCTIMST will be made and seat will be offered based on the sponsored rank list.

Application must be through proper channel and submit a "No Objection Certificate" from their employer along with their application forms. Government orders regarding sponsorship conditions with financial support must be submitted at the time of admission. The decision of the Institute regarding the eligibility of sponsorship shall be final.

1. Sponsored seats are available in all programs at SCTIMST.
2. All eligible sponsored candidates seeking admission will have to appear in the entrance examination and go through the process of selection as envisaged for all.
3. International candidates may be considered as sponsored candidates if sponsored by their government/governmental agencies and found to be eligible for admission as per the Medical Council of India/National Medical Commission.
4. No other type of preference will be given to sponsored candidates.

Sponsored candidates are eligible for seven days Leave-on-duty for attending national conferences/workshop/seminar. They are not eligible for stipend/salary from the Institute, accommodation, HRA, medical reimbursement, travel grant, TA/DA and registration fee for conferences etc.

The number of sponsored candidates in any course will not exceed 50% of the number of seats in general quota.

FOREIGN NATIONALS

The Institute accepts foreign nationals for various courses but *there is no reservation of seats for foreign nationals*. Foreign nationals shall be considered as sponsored candidates [need to be sponsored by their government/governmental agencies and found to be eligible for admission as per the Medical Council of India/National Medical Commission (NMC)]. Admission to the program will be based on the rank list in the entrance examination. (INI-CET) They will be considered as Sponsored Category as per the rules and regulation mentioned under “Sponsored Category”.

Foreign nationals are required to apply through the Indian Council of Cultural Relations & the Ministry of External Affairs, Government of India, New Delhi. It is advised that all international students take a medical insurance policy to meet the expenses of medical treatments during course tenure at SCTIMST. A copy of the said insurance policy should be submitted at the time of the final admission.

Registration of foreign medical degree to Travancore- Cochin Medical Councils (TCMC) needs to be obtained at the time of admission.
