

# INDIA MEDICAL DEVICE SHOW 2018

## International Exhibition Centre, Bangalore

The Institute participated in the India Medical Device show 2018 conducted by Federation of Indian Chambers of Commerce & Industry (FICCI) at the International Exhibition Centre, Bangalore during 15-17 February 2018. The Institute had two stalls – one an independent one and the other in the Kerala pavilion sponsored by KSIDC which was shared with TIMed.

The event was inaugurated by Mr Ananth Kumar, Union minister for chemicals & fertilizers..

The exhibition had two sessions – medical devices & pharmaceuticals. In the medical devices sector there were many multinationals like Medtronic, 3M, Braunn, Terumo etc and also there were representations from Indian medical device sector, Government departments and academic institutions.

***The Institute had good visibility as we were the only Indian Institution who develops high risk products, apart from the multinationals.***
