Press Release(4/12/21)

SCTIMST to host the “Nobel laureate Science and Technology Seminar”

*The seminar series intend to commemorate the 70th anniversary of **India Japan diplomatic relations** and **the 75th anniversary of Indian Independence**, “Azadi ka Amrit Mahotsav”.*

Sree Chitra Tirunal Institute for Medical Sciences & Technology (Dept. of Science and Technology, Govt. of India) and Indian JSPS Alumni Association (IJAA) is jointly organizing the “Nobel Laureate S&T Seminar Series -India-Japan Science and Technology Seminar”, sponsored by Japan Society for the Promotion of Science (JSPS) and supported by Embassy of India, Japan in co-association with DST- India and JST-Japan, on December 6th and 7th in a hybrid model at Achutha Menon Center, SCTIMST, Thiruvananthapuram and Webex online platform.

The seminar series also intend to commemorate the 70th anniversary of India Japan diplomatic relations and the 75th anniversary of Indian Independence, “*Azadi ka Amrit Mahotsav*”.

The hybrid webinar will discuss recent trends and prospects in Science and Technology related topics. The online sessions consist of keynote presentations, special addresses, invited talks, plenary lectures from renowned scientists across India and Japan, and student poster presentations.

Ambassador of India to Japan and Ambassador of Japan to India will be jointly inaugurating the webinar series. Nobel laureate (2018) Prof. Tasuku Honjo and Prof K VijayRaghavan, the Principal Scientific Adviser to Government of India, will deliver the keynote addresses.

President JSPS, Secretary DST, Secretary JST will give the special addresses. The Seminar series will be live streaming across ten schools from Kasaragod to Thiruvananthapuram, develop the scientific temper and curiosity in young minds.

The interested candidates can register free for the seminar through the website <https://indiajapanstseminar.com>.
