WORKSHOP ON SCIENTIFIC WRITING

at

**Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum
Medical College P.O., Thiruvananthapuram- 6950 11**

on

12th and 13th June 2013

About the Workshop:

Communication is an integral part of research. Writing a scientific paper to transfer knowledge accurately and concisely is a creative skill that has to be nurtured. Effective communication is feasible with practice and also requires awareness in selecting and organizing the paper's content. The Digital Environment has brought in changes in the process of scholarly communications.

In view of this, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum and the Kerala State Council for Science, Technology and Environment propose to organize a Workshop on Scientific Writing on the 12th and 13th of June 2013. Some of the topics to be covered in the Workshop include- Preparation of different sections of a manuscript, selection of journal based on impact factor and other considerations, electronic manuscript submission, peer review process, how to write a review and respond to referees comments, publication ethics and plagiarism. The Faculty for the programme is from Jawaharlal Institute of Postgraduate Medical Education and Research, Puduchery.

Participation

The Workshop is intended for Faculty Members and Research scholars actively engaged in scientific research in Kerala. The number of participants is limited to 30. Fifty percent of the seats will be reserved for participants from Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum.

Participants have to make their own arrangements for transport and accommodation.
